WW&F Railway Museum Membership

Our members help the WW&F Railway Museum preserve a piece of Maine's unique narrow gauge railroading history and share the story of the importance railroads had on the development of rural Maine. Membership dues are an important part of our yearly operational budget, and provide funds to continue the work of restoration and education.

With membership, you will receive our bimonthly *WW&F Newsletter* featuring museum news and photographs. Members receive discounted tickets to all museum train rides and special events. Museum members also have access to members-only sections of our popular online discussion forum (forum.wwfry.org), where the latest museum happenings are discussed. Our members also have the ability to access all past issues of the *WW&F Newsletter*, exercise voting rights, volunteer as train crew members, and even rent the railroad at a reduced rate. Most importantly, you will be part of nearly 1300 like-minded people world-wide who can rightfully call the WW&F "their railroad."

If you want to take your Lifetime membership to the "next level" consider adding a *Lifetime Pass*. For only $175 you and your guest will enjoy unlimited free rides on virtually any WW&F train. When the WW&F is hosting a special event or excursion, *Lifetime Passholders* only pay for the "extra" fare, such as for a concert, admittance to SeaLyon Farm, or other similar circumstance. This pass can "pay for itself" after just five uses!

Best of all, each *Lifetime Passholder* receives a beautiful brass pass stamped with their Lifetime Membership Number. The fee collected for the pass is divided equally between our endowment and opportunities funds — ensuring that your support today will continue to further the long-term goals of the museum.

Note: Only those who have purchased a Lifetime Membership may acquire a *Lifetime Pass*.

The Wiscasset, Waterville & Farmington Railway Museum is a registered 501(c)3 non-profit organization, so all donations are tax deductible under IRS regulations.
